The idol Marie and the witch

by MiaQc

Summary

One shot. A long conversation between Hermione and Marie.

- A translation of L'idole Marie et la sorcière by MiaQc

"Excuse me." I said to the witch with long dark blue hair wearing a strange pink and purple dress.

"Yes?"

"Madam, you are in violation of the law on..."

"What are you talking about?"

"We're in a Muggle zone, you need to change your clothes."

"Why?"

"Well, because you're a witch!"

"So? I am the idol Marie. This is my stage outfit. I can't really change it."

"Stage outfit... idol... Oh, I'm terribly sorry! I made a mistake and..."

"It's nothing, really, but what's a Muggle zone?"

"Oh, that..." I said, while pulling out my wand after making sure no one was looking. *"Obliviate!"* Then I quickly step away from Marie. I'm Hermione Granger.
